	Communication data (email data, dialed numbers)
	Personalized work results in various tools (ticket system, wikis, develop-
	ment systems, project management tools)
	Appointment management (calendar data)
	Photographic picture

#### 5. Recipient and Categories of Recipients

Relevant employees of involved departments and associated companies, processors. Aareon uses Microsoft Office applications (e.g. Word<sup>®</sup>, Outlook<sup>®</sup>) and in Central Purchasing, systems for ordering and invoices from Coupa<sup>®</sup> with Kofax<sup>®</sup> and for payment of SAP<sup>®</sup>, where support can be provided with possible access to data from outside the EU/EEA (USA, worldwide). SAP<sup>®</sup> support can be provided from the EU/EEA and Switzerland, which is a secure third country with an adequacy decision by the EU Commission. Microsoft<sup>®</sup>, Coupa<sup>®</sup> and Kofax<sup>®</sup> are subject to EU Standard Contractual Clauses (SCC). For Microsoft Support, the SCC can be viewed in the Microsoft Trust Center.

Aareon is obliged to cooperate in the fight against terrorism and carries out a data comparison with EU/US anti-terror lists and in UK also the UK anti-terror lists (sanction screening). The comparison is performed regarding the supplier, not its employees. Aareon uses the AEB system for this purpose, for which support can be provided from outside the EU/EEA (UK, Singapore) if required. The UK is considered a safe third country in accordance with the EU Commission's adequacy decision, and EU standard contractual clauses apply to support from Singapore. In the case of international data transfer to or access from outside the EU, there are special risks for personal data (e.g. access by foreign intelligence agencies).

#### 6. Storage Period

The data for contract fulfillment or sanction screening will be stored in compliance with the legal retention periods up to

- Sweden: 7 years
- Norway: 5 years
- Screening data from Sweden and Norway: 10 years

after termination of the supplier relationship or performance of the sanction screening. Data that is no longer needed will be deleted.

#### 7. Data Subject Rights

Data subjects may request information from the controller on their personal data, are entitled to have that data rectified, erased or processing of it restricted, may revoke their consent to processing or oppose the processing based on a legitimate interest at any time for the future, and have the right to data portability and to lodge complaints with a supervisory authority.
